**I LISTENED TO THE RECORDINGS, AND EVERYTHING APPEARS TO BE CHILDREN PLAYING IN A SCHOOLYARD AND VEHICLES PASSING BY. NOTHING SUGGESTS THAT ANYONE IS IN DANGER.**

**REGARDING THE ALLEGATION THAT THEY HAVE A RECORDING OF A WOMAN SAYING THE BABY DIED:  
IT IS NO LONGER ON THEIR WEBSITE, SO THEY WILL SEND ME A LINK.**

**I ALSO ASKED MRS. TAIT WHERE THEY CURRENTLY WERE, AND SHE REFUSED TO TELL ME, SAYING THEY DID NOT TRUST THE DYFED-POWYS POLICE OFFICERS.**

(My note): What we actually said was that we did not trust **certain** officers in the Dyfed-Powys Police. I believe our comment was justified, especially after proving that one of the police documents had been falsified and that one of the police reports claiming I had been seen by the mental health crisis team was false.

**HOWEVER, SHE COULD NOT EXPLAIN WHY KNOWING THEIR LOCATION WOULD IMPACT OUR INVESTIGATION INTO THEIR ALLEGATIONS.**

**AT THIS TIME, I FIND NO EVIDENCE TO SUPPORT THEIR CLAIMS OF SERIOUS CRIMES IN TUNNELS BENEATH AMMANFORD.**

(My note): Why is the officer asking this? How would knowing our location help determine whether our allegations were valid or not?
