

Official/Sensitive (Page 6 with my notes)

MR TAIT WAS REFERRING TO THE RECORDING MENTIONED ABOVE, WHICH WAS LISTENED TO AND, AS NOTED, DOES INDEED SOUND LIKE A CHILD SAYING "THE BABY IS DEAD".

HOWEVER, THERE IS NO EVIDENCE TO CONFIRM THAT THESE SOUNDS ARE AUTHENTIC AND THAT THEY WERE NOT RECORDED NEAR A BUSY STREET OR EVEN TAKEN FROM TELEVISION OR THE INTERNET.

(My note):

The police officer chose not to speak to the two women who made the recording. The officer then claims we could have taken the recording from television or the internet, but for this to be plausible, there would need to already exist a recording of a distressed woman saying "Why Gareth, (or maybe Gary) why? The babies are dead" on television or the internet.

I believe this is highly unlikely.

The original police document is in English and can be found here:
