MESSAGE 024 OF 3RD MAY WAS A CALL OF SIMILAR NATURE  
FROM CALLER ON THAT OCCASION HE PROVIDED MOBILE  
NUMBER OF07780 351539

HE IS NOW, ACCORDING TO THE LETTER SENT IN, LIVING IN  
HIS VAN IN ROMFORD ESSEX

ON THE CALL ON 3RD MAY IT WAS ALLOCATED TO LOCAL  
OFFICER. NOT CLEAR IF ANY ENQUIRY MADE AT THE  
ADDRESS

PREVIOUS CALLS VIEWED BY USER 20 COLLEGE ST

TAGGED FOR +MENTAL HEALTH TEAM+ INITIALLY -THEN FOR CALLBACK TO MR TAIT IF APPROPRIATE TO DISCUSS FURTHER

THE PREVIOUS CALLS MAKE REFERENCE TO +MENTAL HEALTH ISSUES+

THE LETTER IS DATE 17TH JUNE 2019 - ADDRESS "MY OLD BLUE VAN, IN A CAR PARK, ROMFORD"

(note from me): I headed my letter "My old blue van in a car park in Romford" in my efforts to get the Police to realise that I was no longer able to live in my house in College Street, Ammanford.

A house that was free from mortgage and was intended for our retirement

NOTED +MENTAL HEALTH TEAM+

I HAVE REPORTED MATTERS TO DYFED POWYS POLICE AND THEY HAVE NOT BEEN INVESTIGATED PROPERLY.

I HAVE POSTED DETAILS AND RECORDINGS ON TO THE INTERNET AND MADE A PETITION ON CHANGE.ORG

I CONSIDER THAT ATTEMPTS WERE MADE TO MURDER MYSELF AND MY WIFE DURING JULY 2018 AND AUGUST 2018.

THIS WOULD HAVE BEEN EASILY PROVABLE AT THE TIME.

IN MAY 2019 I RETURNED TO MY HOUSE AND COLLECTED 4 BATH TOWELS, I PLACED THEM IN MY VAN, FUMES CAME OFF THESE TOWELS AND IT WAS NOT LONG BEFORE MYSELF AND MY WIFE HAD STREAMING EYES, SORE THROATS,

RUNNING NOSES AND STARTED GETTING CONFUSED JUST LIKE WE DID WHEN WE WERE GASSED

THE RESIDUE IS CLEARLY STILL AT THE PROPERTY AND COULD BE TESTED

I BELIEVE I UNCOVERED A SERIOUS CRIME GANG OPERATING FROM SOMEWHERE UNDERNEATH THE FLOOR OF MY BASEMENT

I HAVE MANY RECORDING MADE IN THIS AREA THAT DYFED POWYS HAVE REFUSED TO LISTEN TO

ON THOSE RECORDINGS AUTOMATED MACHINES CAN BE HEARD RUNNING AROUND THE CLOCK

WOMEN AND CHILDREN CAN BE HEARD SCREAMING

I BELIEVE THAT THESE PEOPLE ARE HELD AS SLAVES AND ABUSED ON A REGULAR BASIS

I ALSO BELIEVE THAT CERTAIN DYFED POWYS POLICE OFFICERS HAVE COLLUDED WITH EACH OTHER AND PERSONS UNKNOWN TO PROTECT THIS CRIMINAL GANG

TO ENSURE THIS MATTER IS CONSIDERED REASONABLY AND FAIRLY I HAVE MADE THREE COPIES OF THIS LETTER AND HAVE SENT ONE TO DYFED POWYS POLICE, ONE COPY TO AVON AND SOMERSET POLICE AND ONE COPY TO THE INDEPENDENT OFFICE FOR POLICE CONDUCT

I ASK THAT THE MATTER I HAVE RAISED BY PROMPTLY AND COMPREHENSIVELY INVESTIGATED

I ALAN TAIT, FORMERLY OF 20 COLLEGE ST, AMMANFORD SA183AF, BUT NOW LIVING IN MY OLD BLUE VAN, STATE THAT THE CONTENTS OF THIS LETTER ARE TRUE

THERE HAVE BEEN A NUMBER OF REPORTS  
FROM CALLER RE THIS ISSUE

I CAN SEE UPDATE FROM + **MENTAL HEALTH TEAM** + ON THE  
CALL IN MAY WHERE MR AND MRS TAIT WERE ADVISED TO  
VISIT THEIR NEAREST POLICE STATION SO THESE  
ALLEGATIONS COULD BE DISCUSSED THEY REFUSED TO DO  
SO

(note from me): This comment is untrue, we were asked to visit our  
nearest Police station so that we could be accessed for Mental  
Health issues, we found this an odd approach, so we declined the  
request.

FOR ICAT CALLBACK TO SEE IF THEY CAN BE PERSUADED  
TO VISIT LOCAL STATION SO THAT HE CAN BE ASSESSED  
FACE TO FACE

(note from me): This seems to qualify my statement above, it says  
"can be persuaded to visit a local police station so that he can be  
assessed face to face".

Its the words "he can be assessed", there is no mention of both of us being assessed, nor does it say so his allegations can be assessed.

FROM +MENTAL HEALTH TEAM+ I HAVE RUNG THE MOBILE NUMBER FOR MR TAIT NO REPLY I HAVE LEFT A MESSAGE ASKING HIM TO CONTACT US TO LET US KNOW HIS LOCATION SO WE CAN COME AND SEE HIM

FROM +MENTAL HEALTH TEAM+ I HAVE NOW SPOKEN TO MR TAIT HE IS UNWILLING TO INFORM ME WHERE HE IS BUT HE STATED HE IS NOT IN THE DYFED-POWYS AREA.

HE STATED HE WAS SAFE AND WELL I ASKED IF HE HAD REGISTERED WITH LOCAL +MENTAL HEALTH SERVICES.+

HE TOLD ME HE HADN'T AS HE DID NOT HAVE A +MENTAL HEALTH ISSUE+.

I HAVE ADVISED HIM IF HE DOES BECOME UNWELL TO ATTEND HIS LOCAL A&E OUT OF HOURS OR TO SEE HIS GP.

MR TAIT THEN WENT ON TO SAY HE HAD RECORDINGS OF PEOPLE SCREAMING AND ASKED ME IF I WANTED TO KNOW THE LOCATION

I INFORMED HIM I DIDN'T.

I ASKED HIM IF HE WOULD ATTEND A LOCAL POLICE STATION SO OFFICERS COULD CHECK ON HIS WELFARE

HE STATED THE ONLY TIME HE WOULD ATTEND A POLICE STATION WAS TO MAKE A COMPLAINT.

(note by me): This would seem to prove the point that when it was recorded

"I CAN SEE UPDATE FROM +MENTAL HEALTH TEAM+ ON THE CALL IN MAY WHERE MR AND MRS TAIT WERE ADVISED TO VISIT THEIR NEAREST POLICE STATION SO THESE ALLEGATIONS COULD BE DISCUSSED THEY REFUSED TO DO SO:

The objective of the Police was not to discuss my allegations but trick me in to going back to be evaluated by them for Mental Health issues.

When the writer states

" MR AND MRS TAIT WERE ADVISED TO VISIT THEIR NEAREST POLICE STATION SO THESE ALLEGATIONS COULD BE DISCUSSED THEY REFUSED TO DO"

the writer would know that statement was untrue, nor did we refuse to discuss the allegations, in fact, we wanted to discuss our allegations.

I ASKED HIM IF HE WAS PLANNING ON COMING BACK TO DYFED-POWYS POLICE AREA HE STATED HE HAD NO PLANS TO RETURN

I'M NOT CLEAR WHAT CALLER IS TRYING TO ACHIEVE HERE

IF HE THINKS THERE IS AN ISSUE AT THE ADDRESS, WHY WOULDN'T HE ATTEND A POLICE STATION SO THAT HIS ALLEGATION CAN BE EXPLORED

(note from me): The same writer is trying to continue the myth that we are unwilling to discuss the allegations, even though all our recordings had been shared with the police.

The police stated that the true purpose behind visiting a police station was to be evaluated for Mental Health issues.

It is Doctors and Psychiatrists that are qualified to access peoples Mental health, not Police officers.

HAS HE STILL GOT ACCESS TO THE PROPERTY

NOTE THE ABOVE PSD HAVE RESPONDED TO STATE THE  
BELOW;

Mr Tait has made previous complaints before however in the below  
email trail he is referring to the possible death of a baby and  
responds stating we are doing nothing about it.

I have sent Mr Tait an email advising about the complaint's side of  
things but with regards to the baby, I believe Mr Tait is looking to

report this as a crime which is why I have forwarded it on, I hope I've clarified this a little better.

Many thanks

Herr Tait,

Ich bi Polizischt bim Ammanford Nöchberkeitsteam und schaffe mit PCSO 8087 Alex Mullock zäme, wo dini Partnerin, wiä ich verstoh, gredt het.

Mir si über e paar vo dine Sorge informiert worde, wo us dine Kontakt mit höhere Beamte vo de Dyfed Powys Polizei und andere Polzeibehörde ufcho si.

Das het bsunders es Brief/Zeugeussag inbegriffe, wo Sie am 8. Oktober 2018 a d Polizeiwach z Bristol (Avon & Somerset Polizei) gschickt hei. PCSO MULLOCK und ich hei Nachforschige zu dine Ussage gmacht.

Ich wott Ihne drum es Update geh. Bezüglich 22 College Street am 23. November 2018: Ich ha s Gebäud komplett chönne bsuche und durälufe. Ich cha bestätige, dass s Gebäud läär isch und komplett renoviert worde isch.

Es git kei Maschine oder Wärkzüüg, nüt, wo Lärm chönnt mache. Kei Hinwiis uf grossi oder ungewöhnlichi Maschine.

Niemert wohnt oder hält sich im Gebäud uf. Kei Tunnel oder Zugäng dezue gfunde - ich ha alles chönne bsuche.

D Eigetümer si zu vorig verwendete Maschine befrogt worde. Nur Handwärkzüüg si bruucht worde. D Immobiliefirma John Francis isch au kontaktiert worde.

Wäg Gasgruch: D Umwäلتschutzabteilig vom Carmarthenshire het kei Problem gfunde. Persönlich ha ich nüt Ungewöhnlichs gmerkt.

PCSO Mullock und e Kolleg hei de Ammanford Park, s alt Citizens Advice Gebäud und d Kapell a de Iscennen Road bsuchet. Kei Tünneligäng gfunde.

D 34 Gäräusch us dine Ufzeichnige (8.10.2018) si normali Stadtgäräusch. Nüt het mi beunruhigt. Awohner und Gschäftsleit a de College Street hei kei ähnlichi Problem gmeldet.

Ich hoffe, das beruhigt Sie und Sie chönd sicher nach Hus zrugg.

Mit freundliche Grüess,

Tom
